**End of Emergency Housing Voucher program June 30, 2026
And Limited HCV Waitlist opening and closing**

The Department of Housing and Urban Development (HUD) has notified the Broward County Housing Authority (BCHA) that the Emergency Housing Voucher (EHV) program funding will be discontinued. Due to historic increases in rental prices for Emergency Housing Vouchers, HUD will only have sufficient funds to cover all EHV families through a portion of 2026.

After evaluating the remaining funding allotted to BCHA, it was determined the EHV program assistance **will terminate June 30, 2026.**

BCHA will open the Housing Choice Voucher waitlist on October 28, 2025, to receive requests for placement from families who are actively on BCHA's Emergency Housing Voucher program only. EHV families that request placement will receive a priority preference due to the program end.

This opportunity is only available to families who are actively participating in BCHA's EHV program.

No other applications will be accepted

A letter with instructions on how BCHA EHV program families can request placement on the HCV waitlist has been sent to active EHV program participants on October 28, 2025. The families have 15 business days to respond and after such time has expired, the HCV waitlist will be closed.

No immediate housing assistance is available and families on the program will need to prepare for other housing arrangements as the program ends on June 30, 2026.

BCHA does not discriminate on the basis of Federal or local protected classes in the access to admissions procedures or employment of its housing programs and activities and provides Equal Housing Opportunity to all.
