

With Heavy Hearts, We Mourn the Loss of Mark O'Loughlin

It is with profound sadness that the BCHA mourns the passing of our dear friend and colleague, Mark O'Loughlin.

Mark was more than a member of our Board of Commissioners—he was a compassionate leader, trusted colleague, and steadfast advocate for the residents and communities we serve. His dedication to public service was evident in everything he did, and his commitment to ensuring that families had access to safe, affordable housing left a meaningful and lasting impact on countless lives.

Appointed by Governors Rick Scott and Ron DeSantis, Mark served the BCHA with distinction for more than a decade. During his tenure, he held the positions of Vice Chairman and Chairman of the Board, providing thoughtful leadership and unwavering support to our mission.

Those who had the privilege of knowing Mark will remember his wisdom, kindness, generosity of spirit, and genuine dedication to helping others. He brought integrity, compassion, and careful consideration to every conversation and every decision. His presence strengthened our organization, and his friendship enriched the lives of all who worked alongside him.

While we grieve this tremendous loss, we are grateful for the time we shared with Mark and for the legacy he leaves behind. His service, leadership, and compassion will continue to inspire the work of the BCHA for years to come.

We extend our heartfelt condolences to Mark's family, friends, and loved ones. Our thoughts and prayers are with them during this difficult time.

Mark will be deeply missed, fondly remembered, and forever appreciated.

With sympathy and gratitude,
The BCHA Board of Commissioners and Staff
